Elements of A Strategic Vision

A strategic vision links your present to your future and outlines the **ACTION STEPS** you can take to get where you want to be. It should be:

Ambitious & Inspirational

A strategic vision should inspire you. It should also stretch you and help you step outside your comfort zone.

Future-Oriented

Your strategic vision is a picture of what your life will look like after you have accomplished your goals.

Reflect Values

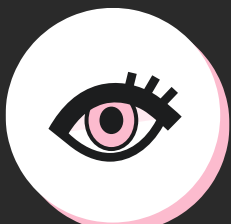

Your vision should reflect your personal values and what is important to you. It is a representation of what will bring you the most fulfillment and joy.

Promotes Excellence

Your commitment to accomplishing your goals promotes excellence as you position yourself for success.

Strategic Growth Planning

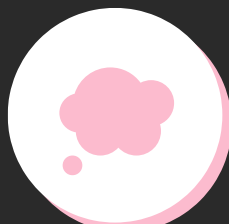

Creating a strategy for planning how you will move from your current situation to your desired future.
